Group Name

Collaborate

Group Vision

To nurture a dynamic and inclusive, cross industry peer group that will foster and disseminate BIM best practice.

Group Goals

- 1) Share knowledge and learning between its members
- 2) Provide outreach to appropriate industry bodies and institutions
- 3) Promote case studies, which demonstrate best practice and the integrated management of information across all stages of the asset lifecycle
- 4) Provide leadership in establishing how buildings and infrastructure can be integrated; and how BIM and Geospatial can interface and converge

Leadership Committee

Office Bearers

Belinda Hodkinson - Chair (BH Consultants)
Melanie Tristram - Vice Chair - New Zealand (JASMAX)
Kris McIsaac - Vice Chair Australia (Jacobs)
Toby Maple - Affiliate Chair (AECOM)
Mark Cronin - Communications Manager (Peddle Thorp)

Members

Steve Appleby (AECOM)
Eldon Borkwood (COX)

Leadership Committee Office Bearers are reviewed on a 2 yearly basis with committee representatives on an annual basis to ensure a balanced and fair representation of the group members.

Organisational Membership

Membership is free and is open to all. Organisation membership is subject to approval from the Leadership Committee and acceptance of the Member Agreement.

Governance

Collaborate is governed by special charter available on membership.

Events

Collaborate will host events across Australia and New Zealand. Events will be as listed:

- Invitation only to industry associations and advisory bodies;
- Sector specific by request to collaborate; and
- Free sessions to share BIM best practice.

Collaborate Working Groups

The aim of collaborate is the fostering and disseminating of best practice amongst peers and to the wider industry. Collaborate Working Groups have been established for industry experts to debate and share their experiences and to create a benchmark for late adopters but also efficiency in delivery. The results of the Collaborate Working Group work will be published free of charge and broadcast across social media. Open collaboration is the key to successful implementation and collaborate encourages participation in these groups.

Resources and Budget

The Leadership Group provides their time and receive no remuneration from this work. The group has no direct budget but we may request sponsorship to assist us in getting our message out.
